## Why Werkvloertaal?

- It is your future, your dreams. Together we draw up a plan for your future.
- You want to learn the language. You make your own decisions and we respect that.
- You want to work. We know the labour market; we know where the jobs are and how to get them.
- It is also possible to do a separate course about the labour market, called the ONA course: Dutch Labour Market Orientation (Oriëntatie op de Nederlandse Arbeidsmarkt).
- Perhaps you have diplomas from another country. If so, you may be able to use them in the Netherlands. We can help you find out about diploma recognition.
- You may want to study further. If so, we can help you research the options

- You want to learn quickly and properly. And that is exactly what we offer.
  - We have good teachers who have plenty of experience of civic integration, state exams and language lessons for companies.
  - We give lessons throughout the year, but you can still go on holiday.
  - We provide extra help free of charge on Wednesday mornings. For example, if you need some assistance with homework or would like to practise on the computer.
  - Would you like to do some additional practice? We will help you find a language buddy or a language work placement.

## What courses do we offer?

### Preparation for the State Exam

## When are the lessons?

In the afternoon or evening on Monday, Tuesday and Thursday. Would you like some extra help free of charge? If so, call in on Wednesday mornings.

## How many lessons are required?

We first discuss your requirements and then we make a plan. Some people need more lessons than others.

## When do lessons begin?

You decide that for yourself. You can begin at any time during the year.

## Can you borrow money for the course?

That depends on when it became mandatory for you to take the Civic Integration Exam. If it became mandatory for you after 1 January 2013, you can request a loan from DUO (Dienst Uitvoering Onderwijs - central government education office).

## Where do the lessons take place?

In the Westwijzer building, Cortenbachstraat 70, Helmond.
